How to get there

We are located close to tram stop “Hochschulstadion”

Psychological Counselling

Dear students,

we support you gladly, if you want assistance or clarification regarding the following topics:

- anxiety regarding exams
- difficulties with concentration or work
- choice of study program or discontinuing your studies
- being unable to finish your studies/being afraid of the future
- depressive moods
- anxieties
- familial conflicts
- difficulties regarding your partner/friends
- sexuality
- finding it hard to make friends, loneliness
- putting a lot of pressure on yourself
- self-doubt or anxiety
- various other psychological or physical symptoms/ailments

Important information for you

for students from the TU and the h_da our services are free of charge. Professional confidentiality is a precondition for our work and guaranteed. We have long-standing experience counselling students in a variety of different questions and situations. Many times a single conversation or a small number of sessions – if there are urgent problems – can be a substantial relief.

Our offers for you

- individual counselling
- counselling with your partner, family or someone close to you
- group sessions (offers are only in German, if you are interested have a look at our website)
