Foodsharing and sustainable initiatives

The initiative foodsharing wants to avoid food waste. People who have bought too much, have a large orchard, or supermarkets that can no longer sell their baked goods give this food away for free. The Fairteiler serve as central points where food can be shared. There you can bring private food as well as food left over from pick-ups and take food yourself for free. Please handle it carefully and pay attention to hygiene.

Locations of the Fairteiler:

- At TU: In the open room of the AStA, there is a fridge and a shelf for foodsharing. Room (S1/03 Room 63a)
- At h_da: you can find it in Schöfferstr. 8 in building D13, on the first floor, next to the Krabbelstube/across from the library.
- Muckerhaus, Messeler Str. 112 A, 64291 Darmstadt
- Familienzentrum Pfungstadt, Freiherr-vom-Stein-Str. 8

- ✓ Regional Facebook groups work on the same principle, announcing at which address and at what time rescued food can be taken, e.g. "Share and give away food Darmstadt".
- ✓ The website <https://mundraub.org/> uses an interactive map to inform you where you can harvest fruit, nuts, berries and the like legally and free of charge.
- ✓ The "Wandelkarte" is a map of Darmstadt showing sustainable initiatives, projects and shopping opportunities. <https://transition-darmstadt.de/projekte/wandelkarte/>

The idea of the free store is simple: Many people have things that they no longer use or want. Other people, on the other hand, may be looking for exactly these things, but cannot afford them or have to spend money on them. If the things are still usable and in order, they can simply be brought to the Umsonstladen. From vases to bread machines, everything that others can use is accepted and given away. All things that are offered there are for free.

Zucker e.V. · Liebfrauenstraße 66 · 64289 Darmstadt · opening hours Wed 11.00 am – 02.00 pm, Fri 03.00 pm – 06.00 pm, Sat 11.00 am – 02.00 pm

<https://www.heinerleih.de/>

Heinerleih is a lending store in Darmstadt and brings people together who are looking for a resource-saving alternative to classic consumption. Instead of buying things, they can be borrowed here simply and free of charge. In this way, Heinerleih makes a contribution to more environmental protection and solidarity.

- **Recyclingkaufhaus**

<https://www.recycling-kaufhaus-rossdorf.de/>

The concept of the Recycling Kaufhaus is simple: donated furniture and household items are refurbished, recycled and sold at fair prices.

The basic idea is sustainable, ecological and social. With the proceeds of the department store the running costs are financed and social/inclusive projects are supported.

Going out

Student bars and pubs:

- **Hobbit:** Cozy, rustic pub to sink into in immediate vicinity of the university. Very good pizza (also at lunchtime, if you don't feel like eating in the cafeteria).
- **Hotzenplotz:** Similar to Hobbit and also a leap away from college
- **Goldene Krone:** Cultural pub, whether drinking a cheap beer in the bar, playing table soccer, singing along with various live bands or dancing in the disco upstairs. In the Krone you can experience everything...
- **Sausalitos:** mexican bar+ restaurant
- **Shotz**
- **Das Labor**
- **Café Hess:** Cozy bar in living room flair with an interesting drinks menu
- **Café Chaos:** Drinks, Breakfast, Pizza, Salads
- **Café Bleu:** Cozy café very close to the main campus of the TU. Good for a coffee in between.
- **Café Oberfeld:** Beautiful farm on the outskirts of Darmstadt with café (organic and vegan selection) and organic store. There is also a hay playground for children and bobby cars. You can also watch the animals there (cows, horses, chickens, geese).
